NOTES

ADVANCED PLACEMENT (AP) COURSES

These are rigorous, college-level courses in a variety of subjects. They give students the opportunity to develop the academic skills desired by colleges and universities, along with the opportunity to earn college credit.

Why take them?
- Stand out during the college admissions process
- Earn college credit (Score 3*, 4, or 5 on AP test)
- Skip introductory college courses
- Easier to transfer credits out of state (compared to concurrent enrollment)

BHS AP Courses

Links for

Utah College/University AP Guides

- BYU
- Ensign College
- Southern Utah University
- University of Utah
- Utah State University
- Utah Tech University
- Utah Valley University
- Weber State University

Search for additional AP guides on college websites you are interested in attending.

For AP Exam Credit to be awarded at SLCC , students must be currently matriculated (degree seeking) at SLCC.

CONCURRENT ENROLLMENT (CE) COURSES

Concurrent Enrollment courses are college-level classes, through SLCC or Weber State, that are taught at Bingham by Bingham teachers.

Why take them?
- Students receive <u>BOTH</u> college and high school credit.
- These courses stand out during the college admissions process.
- Earn college credit for these introductory courses.
- Easier to transfer credits in state (compared to AP).

You MUST apply for a "S or W" number by the end of this school year

*Taking classes on SLCC campus or online may be an option. Contact <u>Pepper Poulsen (CE Advisor)</u> for more information.

To apply to Weber State, click <u>HERE</u>

CE CLASS CONSIDERATIONS

- SLCC's Certificate of Completion helps students complete general education requirements, regardless of their college major

- Review math chart / college websites to enroll in correct math class

- Review Concurrent Enrollment Quick Facts for more information

- Remember Bingham vs Concurrent Enrollment deadlines are different.
  - Dropping a CE course with SLCC after the first 10 days of the quarter means you will still keep your grade and be placed in an equivalent BHS course. (For example, from MATH 1050 to Pre-calculus)

SLCC Concurrent Enrollment Transition Tuition Waiver

This is an automatic scholarship for completing 6 or more CE credits (2 classes) with a C or better.

The award is $1,000 split over two semesters, if you are taking 12+ credits each semester at SLCC after high school.

Steps to Receive the Waiver:
- Change your status with SLCC from concurrent to regular enrollment during senior year
- Apply for financial aid
- Register for classes

*Can only be used at SLCC. Subject to change or cancellation.

JATC COURSES

- Various programs offered at 3 different campuses

- An application is required for ALL programs

- Apply by the priority deadline: **Feb. 14th** (*Applications are accepted after this date as space permits*)

- Most programs are 2 periods all year, but some programs are 4 periods for a semester or full-year

- JATC Quick Facts Guide

- Applications available at **Jordantech.org**
