Katherine & Tony Butterfield Memorial Scholarship 2025

In Honor and Memory of Katherine Crane Butterfield, BHS Class of 2008, and her husband Tony Butterfield. This scholarship was founded in 2022.

Katherine Marie Crane Butterfield (1990–2020) was pure sunshine wrapped in laughter, mischief, and love. Born April 2, 1990, to Marshall and Rebecca Crane in Murray, Utah, Katherine had a way of lighting up every room she walked into. She was always pulling pranks, cracking jokes, and doing crazy dances that had everyone rolling with laughter. Katherine had a gift for making ordinary moments unforgettable, whether she was hosting a wild Halloween party, planning a full-blown prom for her 30th birthday, or just sharing funny YouTube videos with her family. Her faith in Jesus Christ shaped her life and inspired how she loved and served everyone around her.

Tony Mark Butterfield (1990–2020) was a perfect mix of focus and fun. While he was incredibly driven and dedicated, he also had a knack for finding humor in life's chaos and could lighten any moment with his quick wit and silly jokes. Known for his quiet strength and willingness to help anyone in need, Tony would literally give the shirt off his back to serve others. Tony was so active and fearless, and loved to go wakeboarding, fishing, hiking, skateboarding, biking, and snowboarding.

Katherine and Tony met shortly after high school, and became fast friends before falling deeply in love. After serving full-time missions for the Church of Jesus Christ of Latter-Day Saints, they were married in the Draper Utah Temple. They built a life full of love, joy, shared dreams, and welcomed three amazing children into their family. Though Katherine and Tony's time here ended far too soon in 2020, their legacy of enthusiasm, humor, and kindness continues to inspire all who knew them, and expands even further through the achievements of our wonderful scholarship recipients. Thank you for being a light, and spreading light.

Scholarship Selection Criteria

Each year, a select number of students will be awarded a scholarship to be used at the college or trade school of their choice. We are looking for candidates who embody the characteristics of the late Katherine Crane Butterfield, a graduate of the Bingham High School Class of 2008. Katherine was energetic, enthusiastic, silly, kind, and had a contagious love for life. She and her husband, Tony, were brilliant lights in the lives of everyone who knew them. The recipient(s) of this scholarship exemplify these traits and care deeply about friendship, school, and treating others with kindness.
